TO THE TRADE.

IN presenting to the trade our 1901-1902 Catalogue, we have added a number of new patterns that will be found useful in piano and organ work and furniture decoration. We have also made additions to our Embossed Panels and Patent Carvings. We have been successful in embossing circles (see page 31) and shall be pleased to quote on large and small quantities.

We carry a large stock of all our patterns in Oak, Birch, Pine and Whitewood, and are thus in a position to fill orders promptly.

Nearly all the patterns of Mouldings in this catalogue show full size, with the exception of a few that are marked reduced.

We can furnish Mouldings in any size or shape you may desire. Send a sketch of what you want, stating what design you want used, and we will get the Moulding out for you in a manner and with such promptness that you will be pleased to give us your further orders.

OUR GOODS ARE F. O. B. CHICAGO.

The prices in this catalogue apply to Red and White Oak, White and Yellow Pine, Sycamore, Birch as it runs, Maple, Poplar, Gum, Cypress, etc. The more expensive woods such as Quarter-Sawed Oak, Selected Red or White Birch, Walnut, Cherry, Mahogany, etc., are charged according to the price of lumber used.

We include a few of our patterns of Turned Bead Moulding, and shall continue to turn out the same high class of work that has earned your approval in the past.

In ordering Window or Door Caps, always give outside measurement, size of opening and width of casing. In ordering Grilles, give exact width and depth wanted.

Write for discounts in quantities on everything shown in this catalogue.

Thanking you for favors of the past and awaiting your further orders, which will have our best attention, we are,

Yours respectfully,

ANGUS McKAY & CO.

August, 1901.

If you want a different size of Moulding than appears in this Catalogue, don't forget to make a sketch.
